

Rallybio Named Innovator of the Month by Senator Chris Murphy (D-Conn)

June 3, 2020 at 8:00 AM EDT

Rallybio is honored to be named Senator Murphy's Innovator of the Month, highlighting our commitment to developing innovative, life-transforming medicines right here in Connecticut. We have been working diligently to advance our pipeline and expand our portfolio of transformative therapies for the treatment of patients suffering from rare and ultra-rare diseases. We are thrilled to be recognized for our accomplishments along with other emerging companies in the state, and look forward to continued growth for both Rallybio and the biopharmaceutical industry as a whole in Connecticut.
